

Where Did Our **BOND** Money Go?

Proceeds from the
2014 - 2022 Bond Program

Rebuilt School

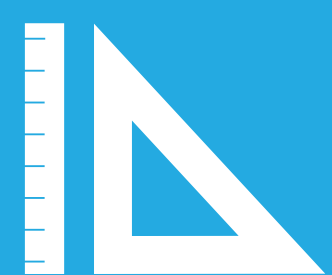

ARTS & COMMUNICATION MAGNET ACADEMY Options School

Opening
Fall 2021

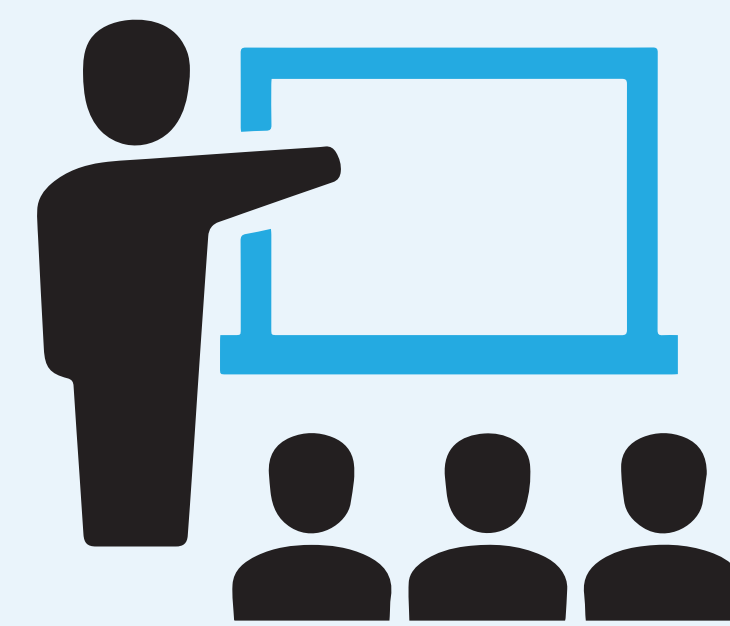

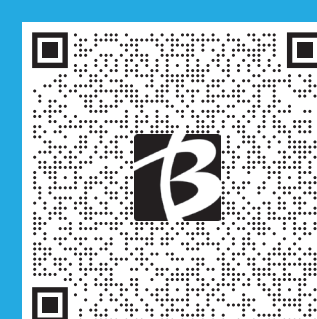

\$37.5 Million

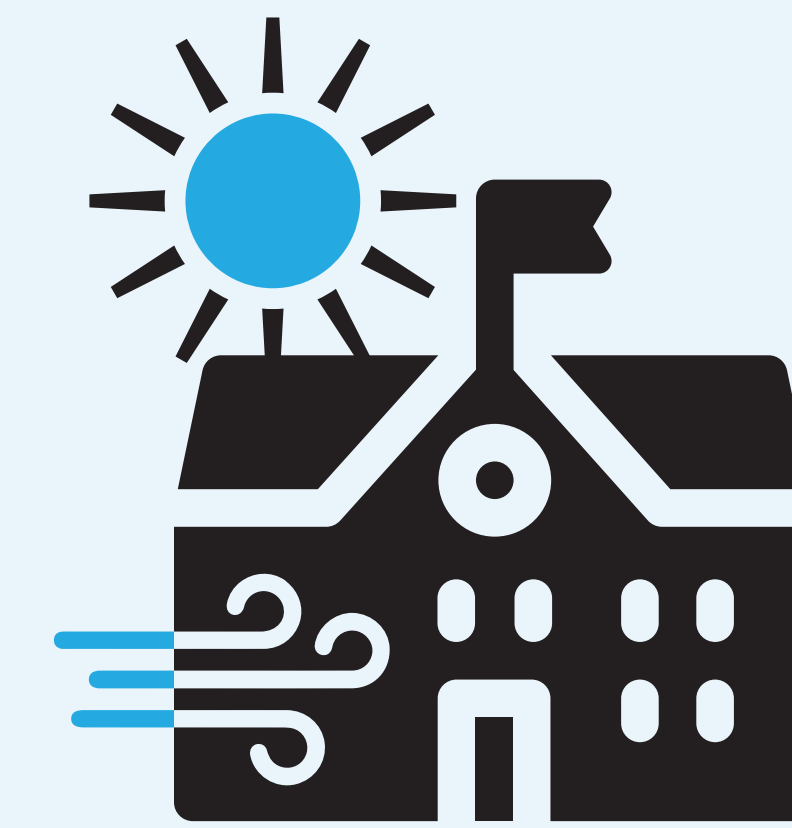

75,000 sq. ft.

725
Student Capacity

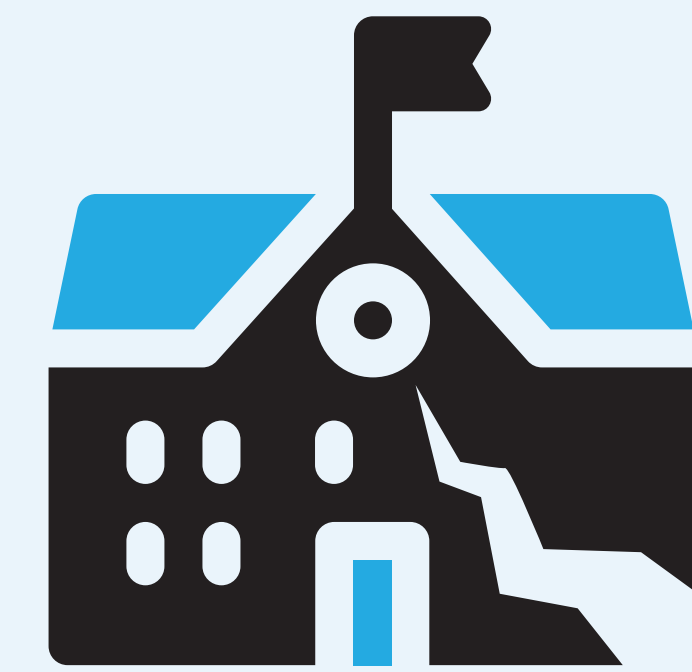

**29 Classrooms
+ 2 Additional
Teaching Spaces**

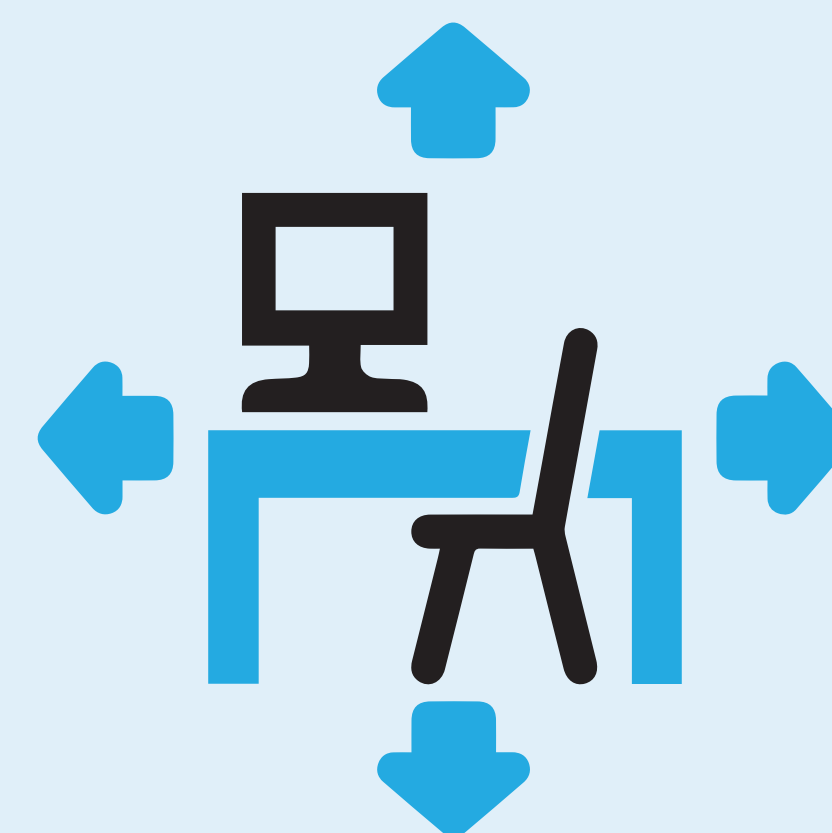

**Natural Light
& Fresh Air**

Abundant natural light & constant
fresh outside air to all classrooms

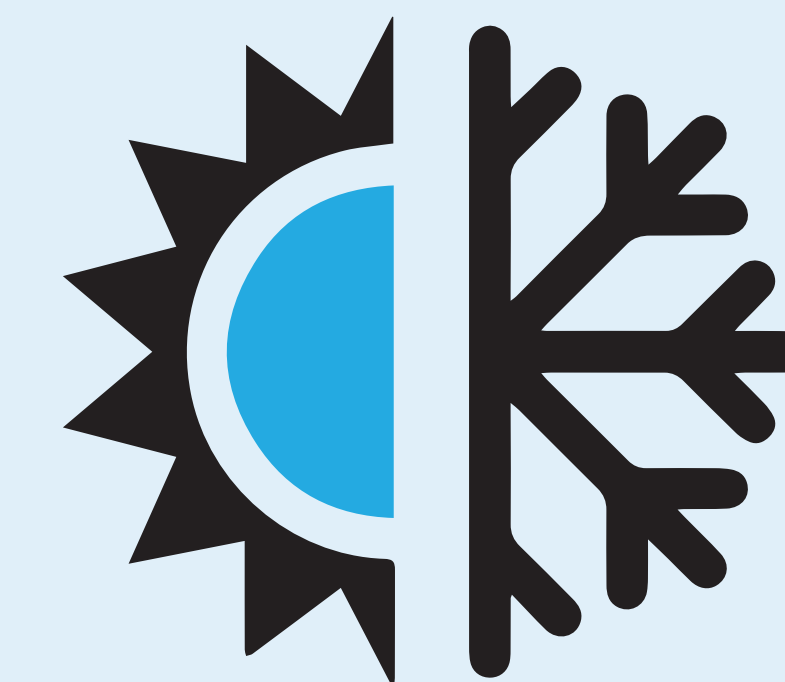

Seismic Reinforcement

Structure allows for immediate
occupancy & community shelter
after a seismic event

**Adaptable,
Flexible Spaces**

Improved spaces for learning
& collaboration

**State of the Art
HVAC Systems**

Efficient heating & cooling

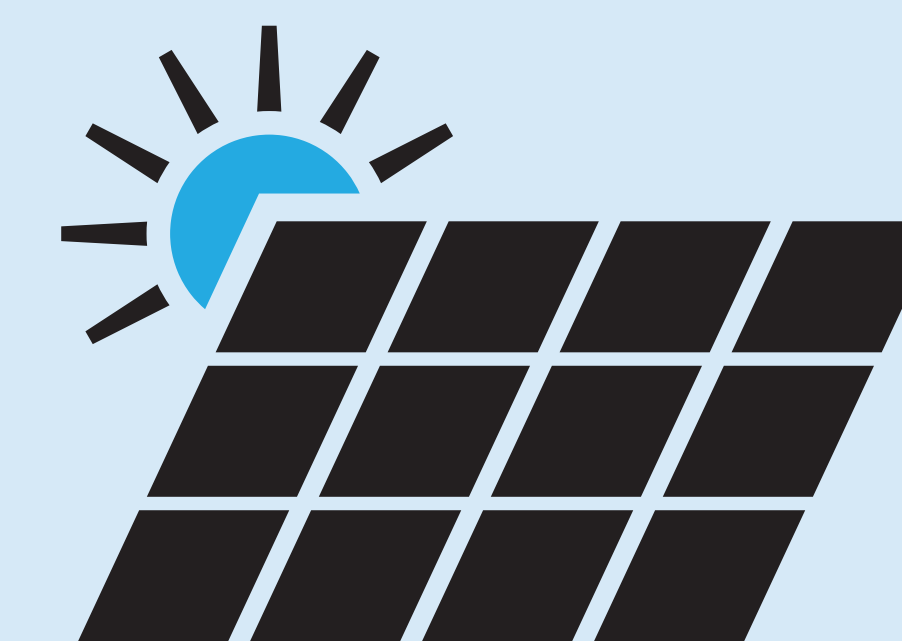

Enhanced Security

Building design incorporates
current district standards

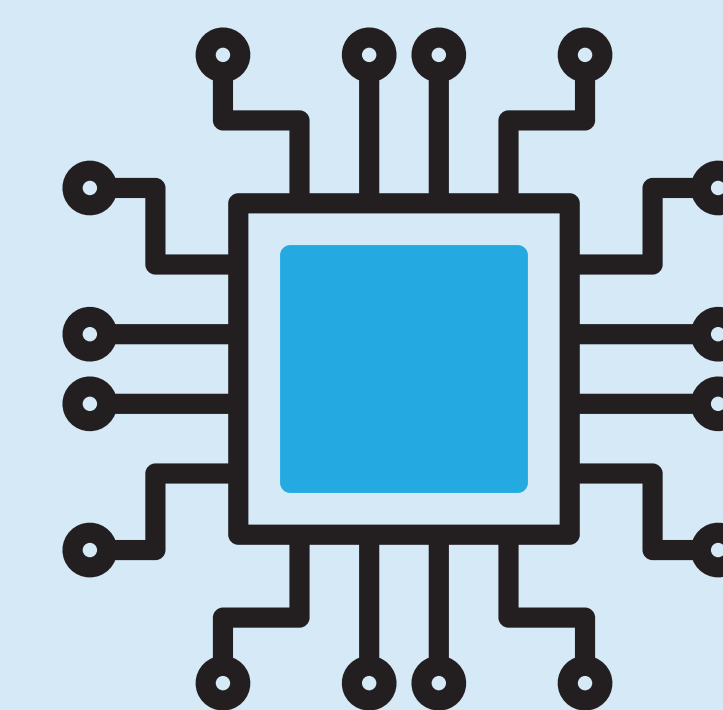

**Building is a
Learning Tool**

Exposed seismic brace frames

Solar Panels

Generate 137 kW-hours

Learning Technology

Leading edge technology &
infrastructure for future developments
